

I (we) certify for the attention of the Austrian Federal Ministry for Digital and Economic Affairs,

- that the goods, technology or software will be used only for the purpose stated above and not be used in any nuclear explosive activity or not safeguarded nuclear fuel-cycle activity or for the design, development, production or use of chemical and biological weapons or missiles and for facilities engaged in such activities;
- that as far as technology is concerned; technology will be treated strictly confidential. I (we) shall neither pass technology on to other companies nor shall I (we) make knowledge available to third parties;
- that the goods produced by the help of the transferred technology will be delivered to a third person/company only on condition that this third person/company accepts the commitments of this declaration as binding for itself and on condition that this third person/company is known to be trustworthy and reliable in the observance of such commitments.
- that I (we) will not re-export the equipment, material or related technology or any replica thereof to third countries without the approval of the Austrian Federal Ministry for Digital and Economic Affairs (see contact details in letterhead). However, no approval is necessary for the re-export to the following countries:
Australia, Belgium, Bulgaria, Canada, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Japan, Latvia, Lithuania, Luxembourg, Malta, Netherlands, New Zealand, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland including Liechtenstein, United Kingdom and the United States of America.
